The Queenship of the Blessed Virgin Mary

Marian Feast Day

Mary is crowned Queen of Heaven and Earth. She is queen over the angels. She is queen over the saints. She is queen over all people.

She is queen over you and me.

When the Father assumed Mary into heaven, both body and soul, He crowned her queen to honor how she is the Mother of His Son and the holiest of the saints. She is the Mother of Jesus, who is the great King of all. He rules the earth and the heavens with power. He brings us justice, mercy, and peace.

As queen, Mary watches especially over you and over me.

We can go to her with all of our troubles, our sorrows, hurts, and needs.

We can go to her with all of our joys, our laughter, and our hearts bursting with song.

Mary takes everything we bring to her and lays it before the mighty throne of the King, her Son, Jesus.

Jesus loves His Mother. When He sees all of our troubles and our joys gathered in her gentle hands, His heart moves with pity and mercy. He grants Mary whatever she wishes. Mary wishes to bring us closer to her Son.

Remember that you have a Mother in heaven and that she is loving and kind.

Remember that she is a gracious queen, and she rules with gentleness next to the throne of her Son.

Dear Mary, may you always be the queen of my heart!
