

Becoming a Saint Daily Cards

Directions: Distribute the cards below and have students fill them out, then color and cut them out. Have students take them home and display them as a reminder of working to become a saint every day.

Prayer to Be a Saint

Dear God,

Thank you for the example of the saints.

I want to be like them. And one day I
want to be with you in Heaven.

Please help me follow in their footsteps
and in the footsteps of Jesus.

Please help me to be like you in
all I do, just as the saints did.

Please help me to love and serve
others for your glory.

Amen.
