

# Catch the Spirit

## This week, your child learned that:

- ▶ Everything that God creates is good. We can come to know Him and His goodness through His creation.
- ▶ God has tasked human beings with caring for and protecting His creation.
- ▶ We learn from the doctrine of Creation that God is the one true God, all powerful, all knowing, all loving, and generous.
- ▶ We are all made in God's image and likeness. Therefore, we were created with specific roles: e.g., priest, prophet, king, son/daughter, and spouse. These roles are strengthened in us at our Baptism.
- ▶ It was part of God's plan from the beginning for man and woman to be united in marriage.

### Family Talk Time

Everything that God creates is good. How does it make you feel to know this? If you know that all creation is good, what does that mean for how we are to take care of His creation?

### Meditation for This Week:

God looked at everything he had made, and found it very good.
